"No better plan," says the "Daily Telegraph," "for acquiring a handsome and trustworthy copy of Shakespeare, that shall vie with the best that a wealthy student of English poetical literature might place on his shelves, could be recommended to any household of limited means than simply taking the monthly parts of the new large-paper re-issue of Cassell's serial edition, copiously illustrated by Selous."

The illustrations will give children a clearer idea of the manners of the East and of the most memorable chapters in Sacred History than any amount of mere verbal teaching."

Three young Fairies wandering away from the others in search of adventures, come upon a poor little Mouse caught in a trap, and they determine to do an act of mercy, and after much trouble they succeed in setting it free.

By command of the Queen the Fairies must always return to Fairyland at sunrise.

Virtue is not always rewarded, for these three Fairies, who helped the Mouse while hurrying back to Fairyland, are caught in the web of the Spider King.

*The Trial.*—A jury of twelve Spiders is summoned to attend the trial of the three prisoners, and the King Spider at last only sentences them to supply him with food for three days till the web is mended, for the Spiders dare not harm a Fairy.

They agree to these terms, and begin to work for the Spider.

They make arrangements for lodgings.

After some days of fly-hunting for the Spider, the Fairies begin to think Earth rather pleasant, and they decide to stay on a visit.

When they do not return to Fairyland their sorrowing Fairy Mother comes down to Earth to find them.

They enter into possession of their new home, and take their first breakfast in it.

They study the dress of the Mortals.

The Fairy Mother makes inquiries under the Sea,

And finds her children at last, three very home-sick Fairies!

The young Fairies have decided to emigrate to another part of Fairyland, to give up Fairy life, and adopt that of the Mortals. They take leave of the Queen and their Mother.

Some of the Fairies develop a taste for art.

It is no longer fashionable to fly!

They meet in council to discuss what is to be done now. They have found the life of the Mortals not so delightful as they expected. The meeting lasts all night, and at dawn it is resolved by all the Fairies to go home and resume their old life.

They make a large bonfire, and burn up all their fashionable clothes before starting for home.

The return home of the sadder yet wiser Fairies. The Frogs come out to laugh and jeer as they march past.

**VALUABLE DISCOVERY for the HAIR.**

A VERY NICELY PERFUMED HAIRDRESSING,  
CALLED

**THE MEXICAN HAIR RENEWER,**  
now being sold by most Chemists and Perfumers throughout the country, at 3s. 6d. per Bottle, is fast superseding all the old restorers and dyes for the purpose of changing grey or white hair to its natural original colour, for it will positively restore the hair, in every case of greyness, to its original colour, without dyeing it or leaving that disagreeable and offensive smell which most of the hair preparations of the day do.

This preparation has never been known to fail in restoring the hair to its natural colour and gloss in from eight to twelve days.

It promotes growth and prevents the hair falling out, eradicating dandruff and leaving the scalp in a clean, healthy condition.

It imparts peculiar vitality to the roots of the hair, restoring it to its youthful freshness and vigour.

Daily application of this preparation for a week or two will surely restore faded, grey, or white hair to its natural colour and richness.

It is not a dye, nor does it contain any colouring matter or offensive substance whatever. Hence it does not soil the hands, the scalp, or even white linen, but produces the colour within the substance of the hair.

It may be had of any respectable Chemist, Perfumer, or Dealer in Toilet Articles in the kingdom, at 3s. 6d. per Bottle.

In case the dealer has not the Mexican Hair Renewer in stock, and will not procure it for you, it will be sent direct by Parcels Post on receipt of 4s. in stamps to any part of England.

Sold wholesale by the Anglo-American Drug Company (Limited), Farringdon-road, London.

**AN IMPORTANT QUESTION FOR LADIES.**

Would you have luxuriant hair,  
Beautiful and rich and rare?  
Would you have it soft and bright,  
And attractive to the sight?  
This you really can produce  
If you put in constant use  
**THE MEXICAN HAIR RENEWER.**

The hair it strengthens and preserves,  
And thus a double purpose serves;  
It beautifies—improves it too,  
And gives it a most charming hue,  
And thus in each essential way  
In public favour gains each day,  
**THE MEXICAN HAIR RENEWER.**

If a single thread of hair  
Of a greyish tint is there,  
This "Renewer" will restore  
All its colour as before.  
And thus it is that vast renown  
Does daily now its virtues crown,  
**THE MEXICAN HAIR RENEWER.**

No matter whether faded grey,  
Or falling like the leaves away,  
It will renew the human hair,  
And make it like itself appear,  
It will revive it, beautify,  
And every ardent wish supply—  
**The MEXICAN HAIR RENEWER.**

**THE MEXICAN HAIR RENEWER.—**

When the original colour has returned, the Mexican Hair Renewer should be applied about once a week, which will be sufficient to sustain it. Ladies and gentlemen prematurely grey, who have despaired of a restoration for the beauty of this wonderful natural ornament, will be surprised at the beneficial effect produced by a few applications of the Mexican Hair Renewer. The vital forces of the organs on which the hair depends will be re-established, and the growth present the colour and luxuriance of youth. When the hair begins to come out on combing a few applications will arrest it. The Mexican Hair Renewer should always be used on the first appearance of dandruff, for it keeps the head clean and cool. The Mexican Hair Renewer is colourless, pleasant, perfumed, and renders the hair soft, pliant, and luxuriant. It gives the hair that peculiar richness and colour so essential to the toilette. The Mexican Hair Renewer may be procured of any first-class Perfumer, Chemist, or Dealer in Toilet Articles throughout the country, at 3s. 6d. per Bottle. In case the dealer has not the preparation in stock, and recommends something else as being similar, do not be deceived. In case he will not procure it for you, it will be sent free of freight upon receipt of 4s. to any part of the country. The Mexican Hair Renewer is put up with directions in German, French, and Spanish. Retail everywhere in the kingdom at 3s. 6d. Only one size. Sold Wholesale by the Anglo-American Drug Company (Limited), Farringdon-road, London.

**MR. ROBERT FOURACRE, Chemist, Taunton,** sends us a letter, April 18, 1872, as follows:—"Lady Lytton thinks that 'The Mexican Hair Renewer' is the very nicest preparation that ever was, as it not only most effectually cleanses the hair, and prevents it from falling off, but it also renders the hair so beautifully soft and brilliant, without any nasty oils or pomades."

**CARTER'S COLOGNE OIL FOR THE HAIR** is the best and most delicately perfumed Hair-dressing in the World. It is not intended to change the colour of the Hair, but simply to keep it soft, glossy, luxuriant, and free from dandruff.

Of all Chemists and Hair-dressers. Price 1s. per Bottle. Prepared only by the Anglo-American Drug Company (Limited), Farringdon-road, London.

**BROWN'S BRONCHIAL TROCHES FOR SORENESS in the THROAT.**

**FOR CLERGYMEN'S SORE THROATS.**

A chronic inflammation of the small mucous glands connected with the membranes which line the throat and windpipe, the approach of which is often so insidious and scarcely to attract notice, an increase of mucus, and a sense of wearisomeness and loss of power in the throat after public speaking or singing—it arises from cold or any unusual exertion of the voice—these incipient symptoms are allayed by using Brown's Bronchial Troches, while, if neglected, an entire loss of voice is often experienced. Public speakers and singers will find them beneficial in clearing the voice before speaking or singing, and relieving the throat after any unusual exertion of the vocal organs, having a peculiar adaptation to affections which disturb the organs of speech. Few are aware of the importance of checking a cough or slight cold in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. Brown's Bronchial Troches are a most valuable article when coughs, colds, bronchitis, influenza, hoarseness, and sore throats are prevalent. The Troches give sure and almost immediate relief. They may be had of any medicine dealer, at 1s. 1½d. per Box.

have been before the public for over thirty years. Each year finds the Troches in some new distant localities in various parts of the world. Being an article of merit, when once used the value of the Troches is appreciated, and they are kept always at hand to be used as occasion requires. For coughs, colds, and throat diseases the Troches have proved their efficacy. A neglected cough, cold, or sore throat which might be checked by a simple remedy like Brown's Bronchial Troches, if allowed to progress, may terminate seriously. For bronchitis, asthma, catarrh, and consumptive coughs the Troches are used with advantage, giving oftentimes immediate relief. Singers and public speakers will find them excellent to clear the voice and render articulation wonderfully easy. They may be procured of any first-rate Chemist or Medicine Dealer throughout England, Ireland, and Scotland at 1s. 1½d. per Box.

**FLORILINE.—For the TEETH and BREATH.**

IS THE BEST LIQUID DENTIFRICE IN THE WORLD.

It thoroughly cleanses partially decayed teeth from all parasites or living "animalcules," leaving them pearly white, imparting a delightful fragrance to the breath.

The FLAGRANT FLORILINE removes instantly all odours arising from a foul stomach or tobacco smoke.

FLORILINE should be thoroughly brushed into all the cavities; no one need fear using it too often or too much at a time. Among the ingredients being soda, honey, spirits of wine, borax, and extracts from sweet herbs and plants, it forms not only the very best dentifrice for cleansing ever discovered, but one that is perfectly delicious to the taste and as harmless as sherry. The taste is so pleasing that instead of taking up the toothbrush with dislike, as is often the case, children will on no account omit to use the FLORILINE regularly each morning if only left to their own choice. Children cannot be taught the use of the toothbrush too young. Early neglect invariably produces premature decay of the teeth.

Sold by all Chemists, Perfumers, and Dealers in Toilet Articles throughout the world, at 2s. 6d. per bottle, and wholesale by the Anglo-American Drug Company, Limited, Farringdon-road, London.

**FLORILINE.— for the TEETH and BREATH.**

"SWEET AS THE AMBROSIAL AIR."

Sweet as the ambrosial air,  
With its perfume rich and rare;  
Sweet as violets at the morn  
Which the emerald nooks adorn;  
Sweet as rosebuds bursting forth  
From the richly laden earth,  
Is the "FRAGRANT FLORILINE."

The teeth it makes a pearly white,  
So pure and lovely to the sight;  
The gums assume a rosy hue,  
The breath is sweet as violets blue;  
While scented as the flowers of May,  
Which cast their sweetness from each spray,  
Is the "FLAGRANT FLORILINE."

Sure some fairy with its hand  
Cast around its mystic wand,  
And produced from fairy's bower  
Scented perfumes from each flower,  
For in this liquid gem we trace  
All that can beauty add, and grace—  
Such is the "FRAGRANT FLORILINE."

**FLORILINE.—For the TEETH and BREATH.**

From "Weldon's Ladies' Journal":—"The FRAGRANT FLORILINE is also prepared by the same house, and of this desirable dentifrice it seems almost superfluous to say much, it is so generally known and valued; still, as popular as a thing may be, I often find ladies write up to me that know nothing about this or that preparation, therefore for their benefit I introduce Floriline liquid, sold at 2s. 6d. by all chemists and perfumers, who also supply the Mexican Hair Renewer and Carter's Cologne Oil just mentioned. A liquid dentifrice is certainly more desirable than a powder as it has more cleaning power without injuring the enamel of the teeth, and a few drops of Floriline sprinkled on a wet toothbrush produces a lather which thoroughly cleanses the teeth from all impurities, hardens the gums, prevents tartar, and gives to the teeth that pearly whiteness which all desire to possess, while it imparts a delightful fragrance to the breath. It cannot be too freely used, and it leaves a refreshing feeling, thoroughly cleansing decayed teeth, and should be used by one and all. Those whose teeth have become much discoloured through neglect, medicine, an acid stomach, or any disorganisation of the digestive organs, should occasionally use the Floriline powder which accompanies each bottle of Floriline, as this helps to restore the neglected teeth to their proper colour and state. A bottle of this excellent dentifrice will last three months.—Busy Bee."

"I consider 'FRAGRANT FLORILINE' is, without exception, an excellent preparation for the Teeth and Gums."
